Richard made his on a team with Pegsie Payne, Maureen Connolly and Pat Dunn. Congratulations to both.

### All Your Friends Are Here

Table count through the first three days stood at 1187 as compared to 1044 1/2, roughly a 15% increase. 60 1/2 of those tables competed in the Gold Point Pairs, a 2 session event for players with under 750 masterpoints. Outstanding!

### Important Meetings Ahead

Thursday there is a meeting about the Conditions of Contest for District 7 NAOP & GNT events. The meeting will be in the Gardenia room at 4:30 and everyone is invited to attend.

Friday at 5:00 in the Redbud Room District 7 will host the District Goodwill Awards. Come help celebrate the people who make the game so much fun.

Saturday morning the District 7 Breakfast meeting will be at 9:30 am also in the Redbud Room. And if you aren't tired of meetings by then, Saturday night at 5:00 the MABC will hold a dinner meeting also in the Redbud Room. We think that's it.

**We practice zero tolerance!**

# Conditions of Contest and Policies of MABC

## Entry Fees

The entry fee is \$10 per player per session for all events. The entry fee for Late Night Zip KOs is \$10 per team per match.

## Youth Discounts and 0-20 Discounts

The MABC offers a \$5.00 discount on each full session at each Regional for contestants ages 22 and under, a full-time student under 26 or each pair of players with 20 or fewer Masterpoints playing in a single-session Intermediate or Novice event. Inform the director when purchasing the entry.

## Knockouts

Knockouts are bracketed based on the average masterpoint holdings of all team members. To receive an overall award, a player must play at least half of the boards his team plays, including half of the boards played in the (combined) semifinal and final matches. He receives only the award earned in the last match of which he has played at least half that his team won.

Example: A player plays the whole first match, sits out the whole second match, and plays half or all of the third match. If the team loses the third match, this player receives only a match award, not the points for 3/4 overall.

Compact KO teams must be composed of *exactly four players*.

## Bracketed Knockouts

Brackets are drawn based on the total masterpoints of all members of the team divided by the number of members. The team captain will enter by submitting a registration form on which he has completed the number of players and the total masterpoints.

Once the brackets have been drawn, it is too late to enter or withdraw a team.

## Side Game Series Pairs

The Side Game Series will be held as three separate events. The First Shift Side Series Pairs will run in the mornings only Tuesday through Saturday. The Weaver Side Series Pairs will be afternoon and evening events Tuesday through Thursday and the Spinners Side Series Pairs Friday and Saturday and Sunday morning. You may play in as many sessions as you like and with different partners. Your best two individual sessions (not necessarily consecutive sessions) will be the ones counted for placing in the overalls.

## Conventions

Mid-chart conventions are approved for use at this tournament in Flight A/X pairs or teams, or in bracketed KO events where the lowest team in the bracket has an average of at least 1000 MP per player. Players using mid-chart conventions must download and carry with them ACBL-approved defenses. For other events or brackets, the ACBL General Convention Chart applies, except that all constructive defenses to the opponents' NT openings are always permitted. Players who by agreement lead low from a small doubleton must pre-alert the opponents at the start of the round.

## Bidding Boxes

MABC policy is that bidding boxes are used in all events. All players must use them unless they have a sight problem or other physical handicap. Explanatory cards are available in the tournament's office for players who are unable to use bidding boxes.

## Tournament Recorder

The recorder for this tournament is Chris Moll. Recorder forms may be picked up from, and returned to, any director, or in the tournament's office.

## Non-ACBL Masterpoints

Players with non-ACBL masterpoints or non-members who have earned ACBL masterpoints must declare them at the time of entry, so they are placed in the correct flight, strata, or bracket based on the appropriate conversion factor. Failure to do so may result in disqualification and forfeiture of any masterpoints earned.

## Pets and Children

Pets and non-participating children are not permitted in the playing area.

## Cell Phones and Pagers

The only approved setting is off (except for emergency situations—please notify a director).

## Zero Tolerance Policy—Be Nice!

For tournaments to be fun, cooperation from all (players, organizers, officials, staff, volunteers) is necessary. To establish an atmosphere, which promotes the enjoyment of bridge as both a competitive and a social game, the MABC has adopted the ACBL's policy of courteous behavior. Please report conduct that is unacceptable by calling the director immediately, keeping in mind that we must be tolerant of other people in general and bridge players in particular. Also, please report especially outstanding or refreshing conduct on a player memo form (available from any director or on the information table).

### Commendable

- Being a good "host" or "guest" at the table.
- Greeting others in a friendly manner.
- Praising the bidding and/or play of the opponents.

### Unacceptable

- Badgering, rudeness, insinuations, intimidation, profanity, threats, or violence.
- Negative comments concerning opponents' or partner's play or bidding
- Gloating over good results
- Constant and gratuitous lessons and analyses at the table.
- Loud and disruptive arguing with a tournament director
- Ringing cell phones
- Slow play

Courteous behavior brings out the best in everyone. Please consider the manner in which you have been behaving. Try to eliminate those mannerisms and behaviors which may cause others to be uncomfortable, and increase those which make you a person others wish to be around. We all have in common a love of bridge. We should focus on our similarities, increase our tolerance of one another, and always behave civilly toward other players.

With such policy, our intent is to create an environment in which it is *never necessary* to issue a penalty. However, the publicity surrounding this new program constitutes your only warning. Serious breaches of good behavior will be penalized at their first occurrence.

*Disciplinary penalties are not subject to appeal.*

### Using Bidding Boxes

The use of bid boxes at clubs and tournaments has become pretty standard, but if you're new to duplicate, bid boxes may also be new to you.

Here are some tips to make your first encounters pleasant:

Decide on your call before you touch a bid card. Don't think with your fingers—decide whether you're going to bid 2♠ or 3♠ before you reach for that bid card.

Look at the bid card before pulling it completely out of the box. You'd find it hard to convince a director that you inadvertently pulled the "pass" card when you meant to bid 6♠.

Display your bid cards neatly left to right in front of you. If all four players do this, a complete record of the auction is displayed.

Conclude the auction properly by placing your "pass" card on the table.

Even when the auction has concluded, don't rush to gather up your bid cards and place them back in the box. Many players find it helpful to let all bid cards remain on the table until North has recorded the final contract and the opening lead has been made.

Try to avoid inadvertent calls. What is normally a clear situation with spoken bidding becomes somewhat hazy when bid boxes are used.

The Laws read: Until his partner makes a call, a player may substitute his intended call for an inadvertent call but only if he does so, or attempts to do so, without pause for thought.

An inadvertent call is inadvertent if—and only if—it was a "slip of the fingers," the bid box equivalent of a "slip of the tongue." You reached for the 3♣ card but the 3♦ card accidentally came out.

In these situations, the correct call may be substituted without penalty. A player who calls attention to the inadvertent bid as soon as he notices what he actually pulled from the bid box has done so without pause for thought, even if some time has elapsed.

This is the "oops" rule: with spoken bidding, you would have said, "Three clubs—oops, I meant three diamonds." With bid boxes, you may say, "Oops" and substitute the 3♣ card for the 3♦ card.

## Lost and Found

We are maintaining a lost and found item desk by the prize room. Please check there if you lose something or if you find something

### You missed Morganton? Why would you do such a thing?

World famous in North Carolina, the Morganton sectionals are a thing of beauty— a great playing space, enough food to feed an army of locusts (or bridge players, not that you would notice much difference), a great newcomer program ably assisted by Mr. Eldon Clayman, large open games for masterpoint mavens, and a charming little mountain town all add up to some of the best weekends on the bridge calendar.

October 2-4 is the Unit 244 Fall Festival with Famous Chicken Dinner on Sunday.

January 15-17 2010 is the way to start the new year off right with the Icebreaker sectional featuring the Famous Chicken Dinner on Sunday. And if you miss a sectional, don't worry, just resolve to make the next one in about 3 months.

### *1,000 tables at a sectional?*

Yes, it happens — at Atlanta.

Be part of the July 1-5 SuperSectional, five days of bridge that looks and feels like a regional but with all silver points. Three sessions a day with a full intermediate/newcomer program directed by Priscilla Smith. Separate games for 299ers and 49ers. Prizes, gifts, a party, free lessons. Seven bracketed KO events. If your team totals fewer than 6,000 masterpoints, you won't be in the top bracket of a three-session KO. The Atlanta Hilton Northeast (770) 447-4747, just a couple of hours down I-85 from Greenville, has extended its \$79 bridge rate cutoff date to June 16. Pick up a flier at the information table or check [www.mabcbridge.org](http://www.mabcbridge.org). *There is no Mid-Atlantic Regional over July Fourth.*

### A nice compliment

According to Rosalie Radcliffe, Linda Bush and Chris Nicholson of Augusta are very polite and gracious to their opponents at the table and around the tournament. May well all comport ourselves so well and huzzah and kudos to Linda and Chris.
