### New Life Masters

Kay Ehrlich of Marion, SC, went over in the Compact Kos playing with Betsy Stanton and Chris & Lee Webb. Sally Pappas, the pride of Woodstock, GA, went over in the Knockouts. Her grandchildren are super proud of their grandma.

Great job all around!

### Eat Drink Be Merry

The hospitality suite is room 562, and we welcome all players. If you are not a Hyatt guest, you can obtain a room key for the elevator from the front desk. We realize that the room is crowded and apologize for any inconvenience this causes. Our aim is for everyone to have an enjoyable experience and to come back in 2013. If there are any suggestions as to improvements we can make (we know about the limited bathrooms and that the temperature doesn't suit everybody) please let us know and we will work to correct them. We would never knowingly disappoint anybody.

### We're Throwing a Party

And y'all are making it the most successful ever! Table Count is a robust 2173.5 through Friday, 133.5 tables greater than 2009 and puts us on a record pace. Call your friends and invite them to the shindig!

### Ask Jerry Live!

Jerry Helms of Charlotte NC is one of the most renowned and sought after teachers in all the ACBL. He is a monthly columnist in the Bridge Bulletin, where he is read by literally dozens of avid readers who are eager to improve their game. His live lectures are open forums where you can ask any bridge question that's been on your mind, and Jerry will be sure to give an answer that's clear, logical, and sometimes even right. 12 O'clock in the Teal Room is the place to be.

### 1,000 tables at a sectional?

Yes, it happens — at Atlanta. Be part of the June 29-June 3 Super Sectional, five days of bridge that looks and feels like a regional but with all silver points. Three sessions a day with a full intermediate/newcomer program directed by Priscilla Smith. Separate games for 299ers and 49ers. Prizes, gifts, a party, free lessons. Four bracketed KOs and three handicapped Compact KOs. New StrataFlighted Pairs so more 0-750, 0-1500, 0-2500 and even 0-5000 MP players have chances to win. The Atlanta Hilton Northeast (770) 447-4747, just a couple of hours down I-85 from Greenville, has lowered the bridge rate to \$79. Pick up a flier at the information table or check [www.mabcbridge.org](http://www.mabcbridge.org).

## Using Bidding Boxes

The use of bid boxes at clubs and tournaments has become pretty standard, but if you're new to duplicate, bid boxes may also be new to you.

Here are some tips to make your first encounters pleasant:

Decide on your call before you touch a bid card. Don't think with your fingers—decide whether you're going to bid 2♠ or 3♠ before you reach for that bid card.

Look at the bid card before pulling it completely out of the box. You'd find it hard to convince a director that you inadvertently pulled the "pass" card when you meant to bid 6♠.

Display your bid cards neatly left to right in front of you. If all four players do this, a complete record of the auction is displayed.

Conclude the auction properly by placing your "pass" card on the table.

Even when the auction has concluded, don't rush to gather up your bid cards and place them back in the box. Many players find it helpful to let all bid cards remain on the table until North has recorded the final contract and the opening lead has been made.

Try to avoid inadvertent calls. What is normally a clear situation with spoken bidding becomes somewhat hazy when bid boxes are used.

The Laws read: Until his partner makes a call, a player may substitute his intended call for an inadvertent call but only if he does so, or attempts to do so, without pause for thought.

An inadvertent call is inadvertent if—and only if—it was a "slip of the fingers," the bid box equivalent of a "slip of the tongue." You reached for the 3♣ card but the 3♦ card accidentally came out.

In these situations, the correct call may be substituted without penalty. A player who calls attention to the inadvertent bid as soon as he notices what he actually pulled from the bid box has done so without pause for thought, even if some time has elapsed.

This is the "oops" rule: with spoken bidding, you would have said, "Three clubs—oops, I meant three diamonds." With bid boxes, you may say, "Oops" and substitute the 3♣ card for the 3♦ card.
