SUPERSTARS!

A passel of people achieved the magic rank of ACBL Life Master on Wednesday. In fact, no less than three people pulled the double feat of achieving the rank of Bronze Life Master simultaneously as they finally obtained those elusive gold points. Marian Fort from Charlotte, NC and Helen West of Anderson, SC both went home happy. As well Renate Jacobs from South Africa via Savannah went over the mark. She thanks her friends Betsy Contino, Judy Millbank and Mariane Innes. Denny Campbell of Greenville SC and Coral Gables, FL, made it a family affair by getting his Gold Card while playing with his brother Don Dvorak in the Open Pairs. Ruth Grandin of Augusta, GA is the 5th person to make it Wednesday. Great Job!

New LM Renate Jacobs of Savannah

Teach the Children Well

Marty Nathan of Atlanta and Fred Ferguson of Hilton Head both are a large part of thriving Youth Bridge Programs. They're giving a lecture today at 4:45 pm on how to teach bridge to youths. Come and join them and learn how to show the next generation the beauty of our great game.

Ask Jerry Live!

Jerry Helms of Charlotte NC is one of the most renowned and sought after teachers in all the ACBL. He is a monthly columnist in the Bridge Bulletin, where he is read by literally dozens of avid readers who are eager to improve their game. His live lectures are open forums where you can ask any bridge question that's been on your mind, and Jerry will be sure to give an answer that's clear, logical, and sometimes even right. 12 O'clock in the Teal Room is the place to be.

After the game....

1,000 tables at a sectional?

Yes, it happens — at Atlanta. Be part of the June 29-June 3 Super Sectional, five days of bridge that looks and feels like a regional but with all silver points. Three sessions a day with a full intermediate/newcomer program directed by Priscilla Smith. Separate games for 299ers and 49ers. Prizes, gifts, a party, free lessons. Four bracketed KOs and three handicapped Compact KOs. New StrataFlighted Pairs so more 0-750, 0-1500, 0-2500 and even 0-5000 MP players have chances to win. The Atlanta Hilton Northeast (770) 447-4747, just a couple of hours down I-85 from Greenville, has lowered the bridge rate to \$79. Pick up a flier at the information table or check www.mabcbridge.org.

Using Bidding Boxes

The use of bid boxes at clubs and tournaments has become pretty standard, but if you're new to duplicate, bid boxes may also be new to you.

Here are some tips to make your first encounters pleasant:

Decide on your call before you touch a bid card. Don't think with your fingers—decide whether you're going to bid 2♠ or 3♠ before you reach for that bid card.

Look at the bid card before pulling it completely out of the box. You'd find it hard to convince a director that you inadvertently pulled the "pass" card when you meant to bid 6♠.

Display your bid cards neatly left to right in front of you. If all four players do this, a complete record of the auction is displayed.

Conclude the auction properly by placing your "pass" card on the table.

Even when the auction has concluded, don't rush to gather up your bid cards and place them back in the box. Many players find it helpful to let all bid cards remain on the table until North has recorded the final contract and the opening lead has been made.

Try to avoid inadvertent calls. What is normally a clear situation with spoken bidding becomes somewhat hazy when bid boxes are used.

The Laws read: Until his partner makes a call, a player may substitute his intended call for an inadvertent call but only if he does so, or attempts to do so, without pause for thought.

An inadvertent call is inadvertent if—and only if—it was a "slip of the fingers," the bid box equivalent of a "slip of the tongue." You reached for the 3♣ card but the 3♦ card accidentally came out.

In these situations, the correct call may be substituted without penalty. A player who calls attention to the inadvertent bid as soon as he notices what he actually pulled from the bid box has done so without pause for thought, even if some time has elapsed.

This is the "oops" rule: with spoken bidding, you would have said, "Three clubs—oops, I meant three diamonds." With bid boxes, you may say, "Oops" and substitute the 3♣ card for the 3♦ card.
