DON'T FORGET THE CLOCK

Remember that bridge is a timed event. Players who continue to take more than their allotted time will be warned and penalized. Repeated slowness may result in disciplinary action.

TOURNAMENT POLICIES

ZERO TOLERANCE POLICY: To establish an atmosphere which promotes the enjoyment of bridge as both a competitive and a social game, the MABC has adopted the ACBL's policy of courteous behavior. For tournaments to be fun, cooperation from all (players, organizers, staff, and volunteers) is necessary. Please report conduct that is unacceptable by calling the director immediately, keeping in mind that we must be tolerant of other people in general and bridge players in particular. Also, please report especially outstanding or refreshing conduct on a player memo form (available from a director or on the information table).

COMMENDABLE: Being a good host or guest at the table.

Greeting others in a friendly manner.

Praising the bidding and/or play of an opponent.

UNACCEPTABLE: Badgering, rudeness, insinuations, profanity, threats, or violence.

Gloating over good results.

Constant and gratuitous lessons and analyses at the table.

Loud or disruptive calls for or arguing with the director.

Courteous behavior brings out the best in everyone. Please consider the manner in which you behave. Try to eliminate those mannerisms and behaviors which may cause others to be uncomfortable, and increase those which make you a person others wish to be around. We all have in common a love of bridge. We should focus on our similarities, increase our tolerance of one another, and always behave civilly toward other players.

The intent in creating this policy is to create an environment in which it is never necessary to issue a penalty. However, the publicity surrounding this program constitutes your only warning. Serious breaches of good behavior will be penalized at their first occurrence. Disciplinary penalties are not subject to appeal.

CONVENTIONS: Mid-chart conventions are approved for use at this tournament in Flight A/X pairs or teams, or in bracketed KO events where the lowest team in the bracket has an average of at least 1000 MP per player. For other events or brackets, the ACBL General Convention Chart applies. Players who by agreement lead low from xx must pre-alert their opponents at the start of each round.

NON-ACBL MASTERPOINTS: Players with non-ACBL masterpoints must declare them at the time of entry so that they are placed in the correct flight, stratum, or bracket based on the appropriate conversion factor. Failure to do so may result in disqualification and forfeiture of any masterpoints earned.

BIDDING BOXES: MABC policy is that bidding boxes are used in all events. All players must use them unless they have a sight problem or other physical handicap. Explanatory table cards are available in the tournament office for players who are unable to use bidding boxes.

SMOKING: Smoking is not allowed in any playing area, hallway or lobby. Smoking breaks will be provided during the sessions. Smoking is allowed only outside the building - please use the ash containers provided.

ALCOHOL: Alcohol may not be consumed in or around the playing area.

ATTIRE: Please do not wear obviously inappropriate apparel. Shirts and shoes are required. Use of strong or excessive fragrances in the playing area is not only a distraction but may cause allergic reactions. Poor personal hygiene also is not acceptable.

CELL PHONES: Cell phones and pagers *must* be turned OFF in all playing areas. A first infraction is penalized 3 IMPs or 1/4 board. For emergency situations, leave the cell phone with a director.

PETS AND NON-PARTICIPATING CHILDREN: Pets and non-participating children are not permitted in the playing area.

DIRECTOR, PLEASE! MABC policy asks that players add the word "please" when calling the Director to the table.

ENTRY FEES

The entry fee is \$10 per player, per session for all events.

Youth and Newcomer Discounts: The MABC offers a \$5.00 discount on each full session at each Regional for contestants ages 20 and under. Please inform the director when purchasing the entry.

Pairs of players with 0-20 masterpoints each, who are playing in the I/N pairs games also receive a \$5.00 discount per player.

KNOCKOUTS

Knockouts are bracketed based on the average masterpoint holdings of all team members. To receive an overall award, a player must play at least half of the boards his team plays, including half of the boards played in the (combined) semi-final and final matches. A player receives only the award earned in the last match that his team won in which he played at least half the boards. (Example: A player plays in the first match, sits out the second, which the team wins (earning 3/4 overall), and then plays again in the third match, which the team loses. This player has earned only the match award from the first match. The rest of the team received the points for 3/4 overall.

Compact KO teams must be composed of exactly four players.
